ABOUT US

myPhone is a Polish manufacturer of smartphones, classic phones, smartwatches, and other electronic devices.

Since 2007, we have been providing modern and practical technological solutions at affordable prices.

Currently, myPhone's extensive portfolio includes smartphones, classic phones, functional phones for seniors, smartwatches, and additional accessories.

A standout feature of the brand is the special Care product line, designed for children and their parents, seniors, people requiring care, and their caregivers.

Our smartphones take advantage of the latest technologies such as 5G, VoLTE, VoWiFi, NFC, and eSIM.

They are compatible with fleet management systems (MMD).

CAREWATCH

myPhone ACCESSORIES

N23 Tempered glass

Discreet reinforcement of your phone's screen to protect against scratches and breakage. Glass compatible with N23-series smartphones.

myPhone Swiftcharge Duo

A practical 20W charger with two USB ports (USB-A and USB-C PD), supporting Power Delivery technology and a wide voltage and frequency range.

myPhone Simple Charge

A compact charger designed for classic phones. Its small size and wide voltage range make it perfect for both home and travel use.

myPhone eSIM chip card

Practical alternative to traditional SIM cards that allows switching between profiles from different carriers.
